**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need broadband competition. I have been a happy customer of a local ISP for several years now and believe that having a choice of ISPs is very important. We have fiber that is delivered directly to our house at a fraction of the cost that some of the larger ISPs charge which is much faster and better priced than both DSL and Cable in the area.
